

First In Math® Online Program

JUST THE FACTS GYM Module

BASIC SKILL BUILDING:

- Skill Set® 1
- Skill Set® 2
- Skill Set® 3
- Skill Set® 4
- Skill Set® 5
- Skill Set® 6
- Skill Set® 7
- Skill Set® 8

- Assess each student’s knowledge of basic facts with JTF Pre-test/Post-test units—never check another fact sheet!
- Five-minute test on all four operations: Addition, Subtraction, Multiplication and Division.
- Full assessment of each student’s skill improvement.

"Just The Facts is just what we need! I'm pleased with the result, and know the teachers will be happy with it. For us, 'Just The Facts' makes the First In Math® Online Program a critical and essential part of the math curriculum, not simply an add-on."

Mrs. Julie Victory
Supervisor of Mathematics K-12
Bethlehem Area School District, Bethlehem, Pennsylvania

FACT-PRACTICE:

Just The Facts GYM

- Add/Subtract GYM
- Multiply/Divide GYM
- Fractions GYM
- Decimals GYM
- Integers GYM

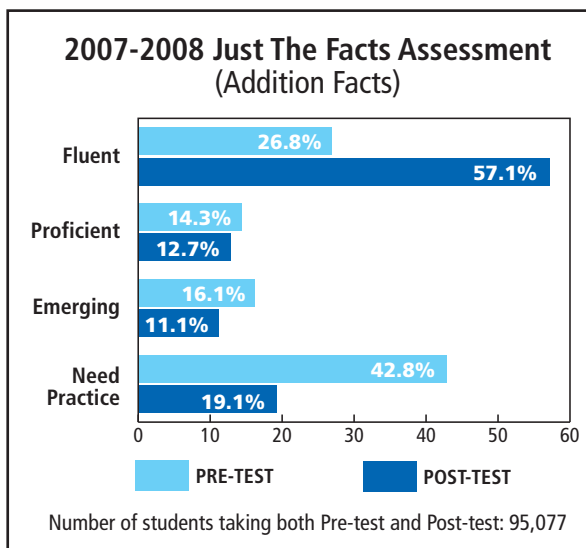

BONUS GAMES:

- Shape Shuffle
- First In Tens
- Ten Wheels
- First To 20
- Speed Shuffle
- Add/Subtract Grand Slam
- Deep Sea-Quence
- Know & Show 3
- Factors
- Multiply/Divide Grand Slam
- Know & Show 5
- The Hex Factor
- 24 Wheels
- Fraction Wheels
- PatternPalooza
- Know & Show 8
- Pattern Panic
- All Star Grand Slam
- Into The Vortex

Math skills in basic areas have increased dramatically in schools that incorporate the First In Math® Online Program into their curriculum. Assessment of 2007-2008 data in the **Just The Facts** module points to improved performance at all skill levels.

When students enter the JTF module, they first take a "Pre-test" to determine their fluency level. At a later date, determined by their teacher or at students' discretion, they repeat the same exercise as a "Post-test."

Using 2007-08 data from the ADDITION* unit of the module as an example, **more than 95,000 students nationwide who took both the Pre- and Post-test experienced a 30.3 percentage-point increase in the FLUENT category, from 26.8% scoring Fluent on the Pre-test to 57.1% meeting that benchmark on the Post-test.**

Just The Facts Assessment Parameters:

Fluent	95%	to	100%	correct
Proficient:	80%	to	94%	correct
Emerging:	65%	to	79%	correct
Need Practice:	1 %	to	64%	correct

* Comparable results achieved on Subtraction, Multiplication and Division units.
